ORDER

THIS MATTER is before the Court on the Defendant's "Motion for Reconsideration Pursuant to F.R.Cv.P. 59(e)" [Doc. 16].

On November 28, 2018, the Court entered an Order denying the Defendant's motion for a transcript of the testimony and other materials presented to the grand jury. Specifically, the Court concluded that the Defendant had failed to demonstrate a particularized need for the requested materials. [Doc. 15]. The Defendant now seeks reconsideration of that Order, arguing that the victim of his crimes recently passed away and therefore "no privacy issues remain." [Doc. 16 at 2]. He further contends that "there is a strong possibility" that the transcript will reveal that "misstatements and conjecture" were presented to the grand jury. [Id.].

Upon careful review, the Court finds no basis in the law to reconsider the Defendant's motion. The Defendant still has failed to demonstrate a particularized need for the requested materials. Accordingly, the Defendant's motion for reconsideration is denied.

IT IS, THEREFORE, ORDERED that the Defendant's "Motion for Reconsideration Pursuant to F.R.Cv.P. 59(e)" [Doc. 16] is **DENIED**.

IT IS SO ORDERED.

Signed: December 19, 2018

Martin Reidinger
United States District Judge
